GOT SKILLS?

GOT PARKING TICKETS?

**If you have parking tickets you can volunteer with us
instead of paying those tickets!**

**Giving a little of your time makes a big difference
for someone in need.**

☛ HERE ARE THE EASY STEPS...

- Gather up your parking tickets. To make it worth your time you really should have over \$100 in parking tickets. Call the "Project 20" office at (415) 626-4995 to find out more about their program.
- To sign up for Project 20 you must first go to the Dept. of Public Transportation office (DPT) at 1 S. Van Ness Ave, San Francisco, Monday - Friday, between 8:30 am and 5:00 pm. After signing a contract outlining terms and amounts, you will be sent to the Project 20 offices on 567 7th Street, near the Hall of Justice.
- Project 20 will charge an administrative fee. Community service and payment plans are not an option if your vehicle has been booted or towed and you are trying to reclaim it.
- Following your volunteer service with us on either Rebuilding Day or at any other time during the year, we'll sign your Project 20 document.

IT'S AS EASY AS THAT!
